Report of Principal and School Improvement Council

This year has been a banner year for Hendrix Elementary IB World School! Our parents, faculty members, students and our community have ended the year with the feeling of success. As a Reward Title I school, our focus is to provide a positive, safe and nurturing environment which allows our students to have a strong foundation for the future.

The faculty and staff have spent a great deal of time preparing for the inclusion of Common Core State Standards (CCSS). This new curriculum will put schools across the United States on a level playing field when it comes to test scores. Three of the teachers at Hendrix have joined with teachers from other schools across our district to write the new standards. You will be hearing more about CCSS in the days ahead. Our fine arts program continues to blossom through our four musicals at each grade level, creative movement performances and our art show. Of course our International Choir is the hit of any venue and we are so proud of all the talented students and talented teachers we have that makes each evening so special. Our IB exhibition's theme was Helping Human Kind, and as such we raised \$4,000.00 to assist a family with medical treatments. Our school also donated \$1,600.00 to give back to our PTO and over \$2,000.00 to Relay for Life. Among all the charities we contributed to this year, Hendrix parents, students and staff donated over \$24,000.00. What a wonderful life long lesson for our students; they can make a difference in their world! We have hosted "Mommy's Monday Mornings" which targets pre-school age children among our membership. The mom's and their son or daughters attend a lively workshop in reading, make & take, and writing. Our math and science night is always a surprising look into the high level of rigor that is expected of our students in mathematics. The 100 Book Challenge program continues to flourish and 100% of our first through third graders read 700 steps. Our instructional coaches continue to positively impact our classrooms through the use of effective techniques and best practices to increase student achievement.

As determined by our Title I survey and our AdvancEd survey, parents are excited about the friendliness of our school personnel, the academic instruction that their children are receiving and the opportunities our school provides through festivals, academic emphasis and Parent Education Night. Hendrix was awarded the Palmetto Silver Award for continuous growth, has been recognized as a Red Carpet School, and was among only six schools in South Carolina chosen as a Healthy School from ASCD. Our PE teacher was named the Project Fit America Teacher of the Year for the Upstate. We've had a great year and look forward to all the possibilities that lie ahead.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	97.3
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools
